LIBRARY EXPERIENCE

Stanford University Lane Library, Stanford, CA

Medical Education Librarian 2008-present

- Serves as liaison to Stanford University School of Medicine
- Collaborates with students, faculty and administrators to design, promote and evaluate an information literacy curriculum
- Teaches interactive information literacy skills sessions for students, faculty and staff
- Represents Lane Library on SOM curriculum committees
- Applies instructional design skills to develop online and in-person training in areas of subject expertise (e.g. database design, information navigation, Evidence-Based Practice)
- Provides reference services and research consultations

Clinical Librarian 2008-present

- Serves as liaison to Stanford Hospital's Departments of Medicine, Obstetrics and Gynecology, Global Health and Biomedical Ethics
- Participates in Internal Medicine rounds facilitating teams access to information through just-in-time instruction

Boston University Alumni Medical Library, Boston, MA

Head of Library Education and Information Management 2008-2008

- Managed an information literacy program that runs over 300 hands-on sessions and annually trains over 4,000 patrons
- Increased Library's training capacity by over 100%
- Collaborated with faculty and administration of the Schools of Medicine, Dentistry and Public Health to integrate information literacy training into their curricula
- Designed and taught interactive information skills sessions
- Represented the Library on key curriculum committees across the BU medical campus
- Trained and mentored instruction librarians

Coordinator of Library Education and Information Management 2006-2008

- Coordinated an information literacy program that runs over 150 hands-on sessions and annually trains over 2,600 patrons
- Supported the faculty and administration of the Schools of Medicine, Dentistry and Public Health in integrating information literacy training into their curricula
- Designed and taught interactive information skills sessions
- Represented the Library on key curriculum committees across the BU medical campus
- Created and maintained online support for the education program including tutorials, websites and subject guides
- Trained and supported instruction librarians
- Provided reference services and research consultations

Information Services and Education Librarian 2005 - 2006

- Taught curriculum-integrated information skills sessions
- Created and maintained interactive tutorials and websites as curriculum supports
- Collaborated with faculty and administrators to fulfill departmental and student information needs
- Provided reference services and research consultations

Emmanuel College Library, Boston, MA

Library Assistant

2004-2005

- Collaborated with Education faculty to develop a children's literature collection
- Provided reference service and trained users to utilize library resources

EDUCATION EXPERIENCE

American Association of Medical Colleges, Washington, DC

Curriculum Designer / Instructor

2007-present

- Design and teach *Searching and Evaluating the Medical Education Research Literature* at various regional and national meetings for medical educators

Boston University School of Medicine: Division of Graduate Medical Sciences, Boston, MA

Course Director

2007-2008

- Coordinated, designed and taught GMS 640: Introduction to Biomedical Information for 180 students

Japanese Exchange & Teaching Program, Mutsu City, Aomori Japan

2002-2003

English Language Instructor

- Taught over 500 high school students English language skills using multimedia resources
- Led English Club activities and school-wide cultural workshops

Massachusetts Campus Compact, Wellesley College, Wellesley, MA

AmeriCorps Volunteer in Service to America (VISTA)

2001-2002

- Coordinated, promoted and led community service programs for over 500 students, including curriculum-integrated service learning experiences

Tufts University, Medford, MA

Instructor

2000

- Designed and team-taught a children's literature course focused on international materials

EDUCATION

- Harvard Macy Institute: Program for Health Educators, 2009.
- Certificate (Medical Informatics), Marine Biological Laboratory, 2007.
- M.S. (Library Science), Simmons College, 2005. Honors: *Beta Phi Mu*
- M.A. (Children's Literature), University of British Columbia, 2004.
- B.A. (English Literature), Tufts University, 2001. Honors: *Cum Laude*

- Farrell, S., & Maggio, L. (2009, May). Technology Use. Session led at Harvard Macy Institute for Educators in the Health Professions at Harvard University, Cambridge, MA.
- Maggio, L. (2009, March). Searching and Evaluating Medical Education Literature. Workshop taught at Practical Research Skills for Simulation Educators at University of Miami, Miami, FL.
- Maggio, L. (2009, March). Searching and Evaluating Medical Education Literature. Workshop taught at Council of Emergency Medicine Director Annual Academic Assembly Las Vegas, NV.
- Maggio, L. & Crandall, S. (2008, November). Searching and Evaluating Medical

- Education Literature. Workshop presented at Association of American Medical Colleges Annual Meeting, San Antonio, TX.
- Maggio, L. (2008, September). Locating Medical Education Research. Workshop presented at Stanford Faculty Development Institute, Stanford, CA.
- Maggio, L. (2008, April). Searching and Evaluating Medical Education Literature. Workshop presented at Association of American Medical Colleges Annual Meeting, Burlington, VT.
- Maggio, L. & Bresnahan, M. (2008, March). Finding information fast: Optimizing use of the library's resources. Workshop presented at the Department of Medicine Faculty Development Series at Boston University Medical Center, Boston, MA.
- Maggio, L., Flynn, D., Bresnahan, M., & Caruso, L. (2007, September). *Searching for evidence based information*. Workshop presented at the Center of Excellence in Geriatrics at Boston University Medical Center, Boston, MA.
- Maggio, L., Jeffery, K., & Flynn, D. (2007, June). *Researching evidence based information*. Workshop presented at the Annual John McCahan Medical Education Day, Boston, MA.
- Maggio, L., Flynn, D., & Caruso, L. (2007, June). *Evidence based medicine*. Workshop presented at the Summer Institute in Geriatric Medicine at Boston University Medical Center, Boston, MA.
- Maggio, L. & Caruso, L. (2006, October). *Searching for evidence based information*. Workshop presented at the Center of Excellence in Geriatrics at Boston University Medical Center, Boston, MA.
- INVITED PRESENTATIONS:**
- Maggio, L. (2009, March). *Effective strategies for locating, evaluating and managing information resources*. Presentation at Stanford University Department of Obstetrics and Gynecology Grand Rounds.
- Maggio, L., Bresnahan, M., Flynn, D., Harzbecker, J., Blanchard, M., & Ginn, D. (2008, May). *Teaching MeSH: Web 2.0 style*. Paper presentation at the Annual Medical Library Association Meeting, Chicago, IL.
- Maggio, L., Bresnahan, M., Shaw, P., & LaMorte, W. (2008, April). *Improving your EBM curriculum: How collaborating with your medical library can help*. Paper presentation at the Northeast Group on Educational Affairs Annual Retreat, Burlington, VT.
- Maggio, L., Jeffery, K., Farsai, P., & Hutter J. (2007, May). *Helping a dental school put the "e" in evidence based dentistry*. Paper presentation at the Annual Medical Library Association Meeting, Philadelphia, PA.
- Jeffery, K., Maggio, L., & Blanchard, M. (2007, May). *Getting more mileage out of extensible online tutorials*. Paper presentation at the Annual Medical Library Association Meeting, Philadelphia, PA.

POSTER SESSIONS:

- Maggio, L., Fabbro, K., & Posley, K. (2009, May). Defining the Information Literate clinician. Poster session presented at Harvard Macy Institute Program for Educators in the Health Professions, Cambridge, MA.
- Maggio, L., Steinberg, R., Zwies, R., Gary, O., Christopher, A., Stave, C., Brekke, S., Tinsley, M., Posley, K., & Heilemann, H. (2009, May). Don't go it alone: Librarians collaborating with health care professionals to redesign a portal optimized for use in clinical practice. Poster session presented at the Annual Medical Library Association Meeting, Honolulu, HI.
- Maggio, L., Fabbro, K., & Posley, K. (2009, April). The road not taken: Evidence Based Practice and Information Literacy. Poster session presented at Western Group on Education Affairs, Santa Fe, NM.
- Robinson, C., Maggio, L., Doyle, J., & Sollenberger, J. (2008, November). *Librarians Building Partnerships: Ongoing Collaborations with Colleagues in Medical and Healthcare Education*. Poster session presented at Association of American Medical Colleges Annual Meeting, San Antonio, TX.
- Maggio, L., Bresnahan, M., Flynn, D., Harzbecker, J., Blanchard, M., & Ginn, D. (2008, June). Evidence-based medicine information skills interventions: Developing expertise, supporting the curriculum and providing access. Poster session presented at the Annual John McCahan Medical Education Day, Boston, MA.
- Sollenberger, J., Maggio, L., & Seveston, E. (2008, May). *An emerging alliance: Librarians collaborating with colleagues in medical and healthcare education*. Poster session presented at the Annual Medical Library Association Meeting, Chicago, IL.
- Levin, L., Bresnahan, M., Maggio, L., O'Rourke, K., & O'Malley, D. (2008, April). *Teaching evidence-based literature retrieval to medical students and residents*. Poster presentation at the Northeast Group on Educational Affairs Annual Retreat, Burlington, VT.
- Sollenberger, J., Maggio, L., & Seveston, E. (2007, November). *Balancing the scales of quality health information*. Poster session presented at Association of American Medical Colleges Annual Meeting, Washington, DC.
- Maggio, L., Thompson, L., Levin, L., Tannery, N., & Whelan, J. (2007, June). *Libraries in medical education special interest group of NEGEA*. Poster session presented at North East Group on Education Affairs Annual Educational Retreat, Stony Brook, NY.
- Harzbecker, J., Jeffery, K., Maggio, L., Flynn, D., & Blanchard, M. (2007, May). *Organizing electronic resources with a database-driven website*. Poster session presented at the Annual Medical Library Association Meeting, Philadelphia, PA.
- Maggio, L., Jeffery, K., Blanchard, M., Ginn, D., Wiecha, J., & Caruso, L. (2006, May). *Evidence-based medicine information skills interventions: Developing expertise, supporting the curriculum and providing access*. Poster session presented at the Annual John McCahan Medical Education Day, Boston, MA.

PROFESSIONAL DEVELOPMENT (2006-2007)

- Evidence Based Librarianship in Practice Editorial Board 2008-present
- ACRL International Institute for Information Literacy: Immersion 07 2007
- ARL Assessment Conference 2008
- AAMC Medical Education Research Certificate Courses: 2007
 - Program Evaluation and Evaluation Research
 - Formulating Research Questions and Designing Studies
 - Questionnaire Design and Survey Research
- Certification in Protection of Human Research Subjects 2006-present

COMMITTEES/PROFESSIONAL ORGANIZATIONS

- Academy of Health Information Professionals (provisional) 2008-present
- Association of American Medical Colleges
 - Group on Educational Affairs 2007-present
 - Northeast Group on Educational Affairs 2006-2008
 - Western Group on Educational Affairs 2008-present
- Libraries in Medical Education (founding member) 2007-present
 - Chair (NEGEA) 2007-2008
 - LiME / AAHSL Joint Task Force (Co-chair) 2008-present
- Family Physician's Inquiry Network Librarian 2007-present
- Northern California and Nevada Medical Librarians Group 2008-present
 - Membership Committee Chair 2008-present
 - Membership Benefits Taskforce (Lead)
- Medical Library Association 2005-present
- National Network of Libraries of Medicine Grant Reviewer 2007-2008
- Boston University Instructional Advisory Committee 2005-2008
- New England Library Education Coordinator Group 2005-2008

SKILLS

- Computer applications
 - Proficient in MS Office XP; Adobe Photoshop; Dreamweaver and Captivate
 - Knowledge of HTML; xHTML and CSS
 - Knowledge of relational database design and management, including: Macromedia Cold Fusion and Structured Query Language (SQL)
- Languages
 - Advanced Spanish language ability
 - Elementary Japanese language ability
- Databases
 - Skilled in navigating, utilizing and teaching: PubMed, MEDLINE/Ovid, LexisNexis, ERIC, Web of Knowledge, PsycInfo and PopLine
